# School Books Retention Policy 2020 - 2021

Brawley Christian Academy provides all students their school textbooks as determined by grade level. These books are mandatory and are required to be available for classroom use at all times. Some textbooks are purchased new and some are selected to be reused for the next school year. In order to maintain and preserve these 'reusable' textbooks we require that parents agree to the following use conditions:

***Read and Initial***

☐ Books labeled for reuse are to be used for reading *only* and may not to be marked or written on.

☐ Books labeled for reuse must be paid for in full if the book(s) is lost, torn, or in a condition which is deemed unacceptable by the school (having markings, excessively tattered, etc).

☐ Books labeled for retention are considered to be school property and must be returned at the end of the school year or upon unenrollment.
